Dear Lord/Baroness.....

I am writing to you because I am very concerned about the amended Statutory Instrument National Health Service (Procurement, Patient Choice and Competition) (No. 2) Regulations 2013 (SI 2013/500). This legislation forces competition across English healthcare. You will be debating this on 24/4 as a result of Lord Hunt's "fatal motion" on 28/3/13.

I want to raise one particular issue with you.....

Private providers are unaccountable and will let patients down whilst also increasing prices - which is very poor value for the patient and for the state.

Please do not let the healthcare of the people of England be damaged in this way. There is still time to stop it.

Please vote to safeguard our NHS budget for the benefit of patients and oppose the Section 75 Secondary Legislation in Lord Hunt's Pray Debate on April 24th

Yours sincerely
