ACCEPT THE LEWISHAM HOSPITAL DECISION

Now that the High Court has found that your decision to close Lewisham A&E, maternity and other NHS services was unlawful, please accept this ruling - don't waste our money trying to appeal it! Justice has been done - Lewisham should never have been cut to pay for problems in other Trusts. Please accept defeat graciously and let's all get on with making the NHS better, not trying to close it down. *(petition initiated on 38degrees site by Caroline Molloy)*
